Introductions

Review of previous minutes

- Approval of previous minutes for meeting held on 10/8/2015

Centennial Middle School career fair

- December 18th
- Leslie Lowe and Lori Hunt as Keynote and guest speakers
- Looking for industry speakers-sign up if interested.

Program Approval: Medical Interventions and Biomedical Innovation (West Valley)

- Review of program approval documents (Seth Robertson, Joe McCollum)
- Suggestions for deliverables in MI curriculum
 - "Wish list" of industry experts for each Unit
 - Are those industry partners who signed up as available really available? This has not been the case-Matt is checking on this.

Passport to success: (Jessica Cato)

- A 4 step career planning tool online
- At end students will have completed FAFSA, a LinkedIn profile, and resume
- Can it be tailored to medical field and Spokane specific? Yes to both.

Program approval (Cont'd, BI)

- Biomedical Innovation
- Could take a tour of cutting edge stand-alone Emergency Room-Deaconess FSED
- Similar to MI, a deliverable "wish list" of industry experts for each unit.
- Video of technicians simulating a procedure from Valley Hospital is an option since timing can make it difficult to visit.
- SVT will bring current and past student ideas and work from unit 8 for next meeting.
- More incorporation with engineering wanted

- Articulation
 - Requirements for WSU's "perks" is that the school be PLTW certified
 - All CV schools are certified
 - When certification process starts, including CTSO: industry is willing to help.

- Deliverable: layering of health care-all of the support careers that are not "front line."

Opportunity:

- RN from Valley hospital (Meredith Kendall-Dunlow) is doing community outreach about strokes and early teaching of CPR
- Fits well into PBS-unit 4 (The heart)
- Interest from all schools
